

Orange-Grapefruit

[TEA & TONIC]

Orange-Grapefruit

[TEA & TONIC]

Ingredients:

- 10 heaping tsp.
- Orange Grapefruit blend**
- 1 grapefruit
- 2 cups tonic water
- crushed ice or ice cubes
- thyme sprigs

Preparation

Brew the **fruit tea blend** with 4 1/4 cups of boiling water and let it steep for at least 15 minutes. Wait until it is completely cooled down. Slice the **grapefruit**, cut the slices into quarters and add them to the tea together with the **tonic water**.

Serve the drink on ice and decorate with some **thyme sprigs**.

This tangy, refreshing beverage is best enjoyed with family, friends and sparkling conversation!
